Built with quality by Ashton Woods Homes, the owners have added their own farmhouse and modern touches to the interiors of this awesome 4 bedroom/4 bathroom/3 car garage floorplan. Enter into your own private courtyard and walk into the beautiful foyer. To your left are the bedrooms. To your right is a gorgeous office with a hand crafted barn door. Straight ahead leads to the open living area/dining/kitchen and double door entrance to the owner suite. The great room and dining room have abundant windows and natural light which also lead to views of the diving pool and its water features. The great room has a fireplace, custom shelves, and plenty of space. The kitchen is a chef's dream with a 36 inch drop in gas stainless steel range, a wall oven/microwave combination, granite countertops, LED lighting, plenty of cabinets for storage, and an island that can accommodate seating as well as prep space and buffet area for the holidays. There also is a
