Welcome to a home where sophistication greets you at the door. A beautifully designed front courtyard, ideal for morning coffee or evening conversation, sets the tone for this exceptional home. Step inside to discover classy plantation shutters and desert-hued tile flooring that flow seamlessly into a spacious open-concept living area. The bay window in the dining space and a custom-built-in media center with glass-front cabinetry create an inviting atmosphere for both relaxation and entertaining. The chef's kitchen is a masterpiece of style and function, featuring vintage-inspired cabinetry with an aged finish, granite countertops, stainless steel appliances, and a large prep island with raised bar seating--perfect for hosting guests in style. Retreat to the primary suite, a
