Why stress trying to find a rental each winter when you can own your own Casita? An end unit features extra windows and skylights, making it bright and cheerful. The classic tile flooring makes cleaning a breeze. The bedroom is spacious enough to include a desk area for your computer work. These resort homes are the perfect way to keep your lifestyle simple and enjoy all the amenities Green Valley Recreation offers. Another benefit is that it is within walking distance of a grocery store, pharmacy, hardware store, and restaurants. It is also just down the road from the West Center Recreation facility, which is home to a woodworking shop, a fantastic swimming pool, and tennis courts. Carefree living, too, as the HOA takes care of the roof maintenance, exterior painting, trash disposal, and maintenance of all pool, spa, and Ramada areas. Come and experience all the amenities and sunshine that Arizona has to offer!
