Welcome to a truly special opportunity to enjoy timeless Spanish architecture and modern updates in the heart of Green Valley. This classic two-story townhouse is one of the original homes built in the area, situated on an expansive .28-acre corner lot that offers exceptional privacy and stunning mountain views from the upstairs balcony. Perfectly tailored for active retirees, this residence boasts an ideal blend of low-maintenance features and inviting communal spaces. The main level showcases travertine tile and durable oak tongue-and-groove flooring, ensuring effortless upkeep so you can spend more time enjoying the vibrant community. The thoughtfully updated kitchen shines with quartz countertops, a decorative range hood, a pantry closet, and an open-concept dining area, perfect for casual meals or entertaining friends. The living room centers around a cozy gas fireplace, framed by built-in bookcases for your favorite reads or display pieces. The primary suite is conveniently located on the main floor, while the versatile upstairs area is ideal for visiting guests, office space, or multi-generational living. A separate laundry and workshop combo, complete with a functional sink and additional toilet, offers ample room for hobbies, crafts, or even a personal studio. Step outside to a generous covered patio, the perfect spot to enjoy
